Projects

Clean Hotels | React, MySQL, Sass

Using Sass/SCSS and React in the frontend and MySQL with Express in the backend, users can browse the page of this small chain of local hotels and make use of the backend functionality to check room availability and then make a reservation.

Event Ticket Page | Node.js, Mongoose, Bootstrap

Using React with Bootstrap styling in the frontend and Mongoose and Express in the backend to connect to MongoDB, this full stack app allows users to buy and sell tickets to their favourite events.

Event Ticket Page | DaisyUI, Tailwind, React

The Social Network App is a mobile-first messaging page, built with Tailwind CSS and DaisyUI in the frontend, inspired by popular modern-day messaging services and designed for optimum use on a mobile device. Users can search for friends by email address and send messages.

Work Experience

English Teacher | Yaruki Switch Group

July 2019 to July 2022 (3 years)

📍 Japan

- Teaching children with very little English experience and exposure.
- Focus on active language production.
- Adept at working with clients (students) directly, face-to-face, considering their needs, goals and requirements.
- Worked within a diverse team of Japanese and international staff.

Nursery Manager | Tinysaurus Nurseries

February 2018 to March 2019 (1 year)

📍 UK

- Started as a Trainee Manager, then Assistant Manager, then Nursery Manager, all within one year.
- Leadership of staff and overseeing tasks, officiating health and safety, delivering training, recruitment, marketing, ensuring customer satisfaction of the parents, and dealing with complains and issues.
- Able to deal with extreme pressure.

Receptionist | Kicks Martial Arts Center

January 2016 – July 2019

- Part-time work as a receptionist at a local martial arts centre.
- Teamwork and communication were essential to this smaller, family-run business.

Activities Coordinator | Lyndhurst Rest Homes

August 2016 – March 2017

- Organised activities for elderly residents in a care home. (Part-time)

Summary

Highly-motivated, new full stack web developer.

I enjoy the challenge of continually learning and solving problems and find great fulfillment in seeing code work as intended and in building new things.
